The world is facing severe threats owing to the impacts of natural disasters and human-induced activities. Education is an important means to develop awareness on such threats and fosters preventive measures to protect and save the environment from further and irreversible damage. This poster competition seeks to encourage participants to transmit their concerns and propose solutions from an educational perspective and communicate their simple messages and visuals on a poster. Such posters would serve to create awareness on the need for education for a more sustainable environment through appropriate simple and practical actions undertaken by people of any age.

The MIE invites participation for a poster 'Art Competition' on any theme of your choice, related to your vision on education for a better living to reduce problems affecting your generation. Your message must address the theme of sustainable future around issues such as climate change, social injustice, poverty, diseases, and over-consumption among others.

The competition is open to the citizens of the Republic of Mauritius only and for following categories:

1. Students of primary schools;
2. Students of Secondary schools;
3. Students of post-secondary sector and tertiary education institutions; and
4. General public

Submission of posters: Monday 07 June 2021 at latest 15 00 hrs on eesa2021secretariat@mie.ac.mu or can be deposited at the Mauritius Institute of Education (MIE), 5th floor, MIE Tower, Réduit at latest 15 00 hrs.
